Stk. 2. Stemmeret kan kun udøves for de andele, som mindst 1 uge forud for generalforsamlingen er noteret på vedkommende investors navn i foreningens bøger.

Stk. 3. Ved spørgsmål, der alene vedrører den enkelte afdeling, herunder godkendelse af årsrapport, resultatanvendelse, midlernes anbringelse, afdelingens opløsning, fusion eller spaltning, skal der afholdes separat afstemning for den enkelte afdeling.

(2) Voting rights may be exercised only for units registered to the investor's name in the fund's registers at least one week prior to the general meeting.

(3) For matters only concerning an individual sub-fund, including approval of the annual report, use of the net profit for the year, investment of the funds, dissolution, merger or demerger of the sub-fund, separate votes are held for the individual sub-fund.

(4) Each investor is entitled to one vote for each unit of DKK 100 nominal value. However, each investor always has at least one vote.

Stk. 5. I afdelinger, der er denomineret i anden valuta end danske kroner, beregnes antallet af stemmer ved at multiplicere den pålydende værdi af investors andele med valutakursen mod danske kroner på den af Danmarks Nationalbank offentlig gjorte liste over valutakurser 30 dage forud for generalforsamlingen og dividere resultatet med 100. Det således fundne stemmetal nedrundes til nærmeste hele tal. Hver investor har dog mindst en stemme.

Stk. 6. Enhver investor har ret til at møde ved fuldmægtig. Fuldmagten, der skal fremlægges, skal være skriftlig og dateret og kan ikke gives for længere tid end 1 år. Fuldmagt til bestyrelsen kan alene gives til en bestemt generalforsamling med en på forhånd kendt dagsorden.

Beslutning herom er kun gyldig, hvis den tiltrædes af mindst 2/3 af såvel de stemmer, som er afgivet, som af den stemmeberettigede del af afdelingens formue, som er repræsenteret på generalforsamlingen.

(5) In sub-funds denominated in currencies other than DKK, the number of votes is calculated by multiplying the nominal value of the investor's number of units by the officially quoted exchange rate against DKK on Danmarks Nationalbank's published list of exchange rates 30 days prior to the general meeting and dividing this result by 100. The number of votes thus calculated is rounded down to the nearest integer. However, each investor has at least one vote.

(6) Any investor has the right to attend the general meeting by proxy. A written and dated instrument of proxy must be presented and cannot extend beyond a period of one year. Proxies subscribed to the Board of Directors may, however, be given in respect of a specific general meeting for which the agenda is known in advance.
